COMMITTEE WILL PLAN FOR FOURTH

Parade and Speaking at Court House May Be Part of Program.

Preceding the celebration at Loop park on the Fourth of July there will be a parade, in which all picknickers at that spot are supposed to participate. Plans for the Fourth of July celebration at Loop park, including the parade, will be left entirely in the hands of a committee to be appointed by J. Walter Barnes, president of the County Council of Defense.

At the meeting of the County Council of Defense, held in the Fleming building at 8 o'clock yesterday evening, it was the unanimous opinion that the picnic should be preceded by a parade. It was also suggested that there should be speaking at the court house before the parade and several short addresses at the park instead of one long address. A patriotic pageant, as suggested in the program printed in The West Virginian several days ago, will be worked out by Miss Beryl Morgan and presented at the park. President Wilson has prepared a Fourth of July four minute address which will be read at every Fourth of July celebration throughout the county. It will be presented at Loop park in Italian, Polish and English, the address to be printed and distributed among the crowd.

An effort will be made to get as many persons as possible to come to the park to spend the entire day, bringing with them their Hoover baskets. An effort will also be made to arrange a band concert for the afternoon.

Other than at Fairmont celebrations will be held at Traction park, Mannington, Willow Tree, Riverdale, Fairview, Mt. Zion and Farmington, and such other communities as desiring meetings.

The War Savings Stamp campaign was taken by members of the County Council of Defense after the Fourth of July celebrations had been thoroughly discussed. Assistant Chairman Wilson emphasized that the quota in the War Savings Stamp campaign was only \$100,000 less than the county's quota in the last Liberty Loan campaign; that in order to reach the county's quota it was necessary for every

fifth person in the county, including children to pledge \$100.

Quite a bit of relief was expressed when Chairman Glen F. Barnes announced that the county's quota of \$1,007,180 did not mean an investment of this much, but instead an investment of enough money to make this amount at the end of five years. There seemed to be a general misunderstanding as to how the allotment was figured.

It was the opinion of the workers present that the people of the county were ready for the big drive and that they would not permit their communities to fall behind on registration day.

Great emphasis will be placed on the meetings in the various districts on Friday, registration day. In Fairmont meetings will be held as follows:

First ward, Central school.
Second ward, Community building.
Third ward, Barnes school.
Fourth ward, Miller school.
Fifth ward, Fleming school.
Sixth ward, Butcher school.
Seventh ward, Fleming school.
Eighth ward, White school.
Meetings will be held in other towns over the county wherever preliminary meetings have been held. It was pointed out at the meeting last night that a good attendance at these registration meetings was not an invitation but a summons.

MANY ENJOYED THE PATRIOTIC CONCERT

W. L. Barrington, Popular Local Tenor, Scored An Artistic Success.

Artistic in every particular was the patriotic concert given last evening at the First Methodist Episcopal church by W. D. Barrington, a popular local tenor, in the interest of the War Savings Campaign. A large audience heard with pleasure the program as presented by Mr. Barrington which consisted of classic, popular and national airs.

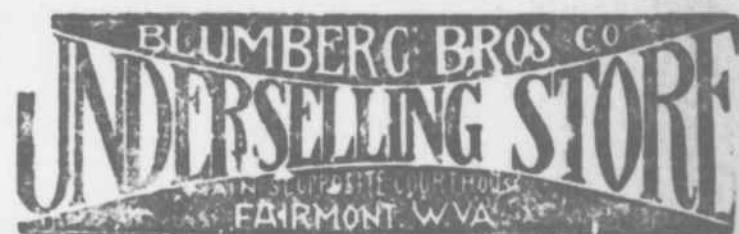

The program as followed by Mr. Barrington showed the versatility of the singer as difficult selections were sung with the same ease of manner as were those of lighter vein. Each group of songs was heartily encored. Mr. Barrington was accompanied by Miss Katherine Moore, a talented
